RE: Proposed Modification to UII Agreement

In accordance with Appendix I, Section V. of the UIIA, participants are hereby notified of a proposed modification approved by the Intermodal Interchange Executive Committee (IIEC) during its virtual meeting on October 7, 2026. The Committee voted to revise **Section V.A., Notice of Proposed Modifications to the Agreement and Comment Process**, to streamline the voting process for proposed Agreement modifications.

Under the proposed revision, if the Committee unanimously approves a proposed modification at a meeting and no comments are received from UIIA participants during the 30-day comment period, a second Committee vote will not be required. In such cases, the Committee will be notified that no comments were received, and the modification will become effective as previously approved, unless a Committee member requests a meeting for further discussion of the proposed change.

To follow is the proposed modification to **Section V.A. of the Administrative Procedures, Notice of Proposed Modifications to the Agreement and Comment Process**. **[Revisions noted in red]**

"If the Committee votes to propose modifications to the Agreement, the Chairperson shall provide Notice in writing and by posting on IANA website within fourteen (14) calendar days of the Committee vote, of the proposed language and effective date of the modifications to all Participants in the Agreement. UIIA Participants shall have thirty (30) calendar days from the date of this notification to provide comments on the proposed change. Comments must be submitted in writing to the Chairperson, who shall transmit the comments to the full Committee for consideration within fourteen (14) calendar days after the close of the thirty (30) calendar day comment period. The Committee shall consider comments, if received, and vote to approve the proposed modification(s) within fourteen (14) calendar days from receipt of comments provided by Chairperson. If a proposed change to the Agreement is not approved by a three-fourths (3/4's) majority vote of those Committee members in attendance at which a quorum is present, the proposed modification will fail.

If no comments are received from UIIA Participants during the thirty (30) calendar day period, the Committee will be advised, and the proposed revisions will become effective as previously approved by the Committee unless a meeting is requested by a Committee member.

Notice of the Committee's final decision will be provided to all Parties within seven (7) calendar days from the close of the period to receive comments from the Committee and the proposed effective date of any changes shall not be less than fourteen (14) calendar days from this date of notification."

Comments on the proposed revision above are welcome and may be submitted over the next 30 calendar days and should be in writing, via e-mail to debbie.sasko@intermodal.org. **All comment submissions on the proposed revisions must be received by November 15, 2026, in order to be considered.** The effective date of these revisions will not be before December 1, 2026. Thank you.
