

# Navigating the UIA for Insurance Agents

April 20, 2026 – 2:00 p.m. (EDT)

# Insurance Agent Registration

- All insurance is required to be submitted online through the UIIA Web Portal.
- Agents are required to register with the UIIA to become authorized to submit insurance online.
- Online registration can be initiated at <https://intermodal.org/uiia/online-insurance-submission#gsc.tab=0>.
- Registration forms should be printed, signed and returned to [uiia@intermodal.org](mailto:uiia@intermodal.org).
- IANA will confirm your agent and agency licenses are active. Once this is confirmed, your Insurance Agent account will be activated.
- Agents will receive an email with their credentials so they can access the UIIA Web Portal and submit insurance online.

# Insurance Requirements

## UIIA Base Insurance Requirements

- Auto Liability for 1 million combined single limit. The auto must cover “Any Autos”, “All Owned and Hired Autos” or “Scheduled and Hired Autos”. A scheduled only policy is not acceptable.
- The Truckers Uniform Intermodal Interchange Endorsement (**Form UIIE-1**) is required to be attached to the auto liability policy. The **CA2317 (vers 11/20)** endorsement is also acceptable.
- The Equipment Providers the Motor Carrier wishes to do business with under the UIIA must be listed as an additional insured on the Motor Carrier’s auto liability policy.

## Other Insurance Requirements

- Most Equipment Providers also require Cargo and Trailer Interchange insurance. Limits vary by Equipment Provider.
- There are also some Equipment Providers that require Workers Compensation/Employer’s Liability insurance. Limits for Workers Compensation is Statutory with limits for Employer’s Liability varying by the individual Equipment Provider.
- Some Equipment Providers also require to be listed as additional insured on the Motor Carrier’s general liability and trailer interchange policies in addition to the auto required under the base UIIA requirements.

# Required Insurance Co. Information

When submitting a certificate of insurance online, agents are required to enter the following information regarding each insurance company listed on the certificate:

- 1) NAIC Number
- 2) AM Best Rating
- 3) AM Best Rating Effective Date

If an agent is not sure where to obtain this information, they may reference Best Key Rating Guide to obtain this information. Certificates without this information will not be accepted online.

If the insurance company does not have an AM Best Rating, the insurance agent should select NR- Not Rated. If this is selected, the AM Best Rating Effective Date is not required.

# Specific Insurance Company Confirmation Requirements

There are specific insurance companies that IANA is required to obtain confirmation of coverage. Please see the insurance companies and the specific confirmation required to be provided directly from the insurance carrier when these insurance companies are submitted for UIIA Motor Carriers:

Insurance Company	Addl. Information Needed
<b>Knights Specialty Insurance Co.</b>	Confirmation of UIIE-1 or CA2317 (vers. 11/20) is on the auto policy
	Confirmation of Hired Autos Coverage
<b>Trisura Specialty Insurance or Accredited Specialty Ins.</b> <b>(Note: Confirmation of all of the information shown to the right is required if one of the policies is thru Trisura or Accredited)</b>	Confirmation of UIIE-1 or CA2317 (vers. 11/20) is on the auto policy.
	Confirmation of Hired Auto Coverage
	Copies of the Additional Insured Endorsements for auto, general and trailer interchange
<b>Progressive Insurance Companies</b> <b>(confirmation to be provided by evidence of this coverage on the Declaration pages directly from Progressive)</b>	<b>Effective Jan. 22, 2026</b> , Progressive will only write UIIA coverage on a limited basis. Confirmation of the following will be required:
	Confirmation of UIIE-1 or CA2317 (vers. 11/20) is on the auto policy.
	Confirmation of Hired Auto Coverage
	Confirmation of the Additional Insured Endorsement on the auto liability.

# Insurance Expirations

**It is important to remember that when submitting renewals for UIIA participants you must submit the information prior to the expiration date.**

Although some policies may be good through 11:59 p.m. on the date of expiration, not all insurance expirations are handled that way. Consequently, the UIIA system expires policies at 12:01 a.m. on the date of expiration. Motor Carriers are notified 7 days in advance of policies expiring and agents have access to the UIIA system to submit insurance 24 hours a day/7 days a week. Please make sure your insured's insurance renewals are submitted in advance of the expiration date.

## Risk Retention Insurance

The UIIA will accept insurance that is written through a risk retention insurance company however several UIIA EPs will not. Consequently, if your insured does business with any of these EPs, they will need to contact the EP directly to see if they are willing to waive this requirement for the motor carrier. The EPs that do not accept risk retention insurance are:

ACL/Grimaldi/Inarme	CMA-CGM America	Matson Navigation	OOCL
ANL Singapore Pte Ltd.	Emirates Shipping Line FZE	Matson Navigation of AK	Seaboard Marine
American President Lines LLC	FlexiVan Leasing LLC	Milestone Chassis	Turkon Container Line
Arkas Container Transport	Green Tide Logistics	Milestone Equipment	Union Pacific Railroad
BAL Container Line	Korea Marine Transport	NACPC	

**Note:** Hapag Lloyd and HMM Co. Ltd. will not accept risk retention insurance for auto liability. Motor Carriers will need to provide a separate auto liability policy not written through a risk retention insurance company for these two equipment providers.

# Acord Upload

Agents can upload a copy of an ACORD 25 certificate of insurance. The system will capture and extract information from the ACORD 25 and pre-populate it on the ACORD 22 form for the agent to review. **In addition, the agent will need to confirm the UIIE-1 endorsement is part of the auto liability policy and the additional insureds for the equipment providers that the Motor Carrier does business with.**

**Note:** The program that will enable the upload of the certificate will only be looking for specific terminology as it relates to information included in the blank boxes on the ACORD 25 form. For example, for Cargo the system will look for either “Motor Truck Cargo” or “Cargo”. Any other terminology the system will not capture, and the agent will need to add it to the ACORD 22 when it is displayed for their review. **It is the agent’s responsibility to ensure that the information from the uploaded ACORD 25 form has been accurately captured on the ACORD 22.**

**In addition, only a digital ACORD 25 can be uploaded. Scan copies of ACORD 25 forms are not acceptable. The ACORD 25 can also only be one page. If you have multiple pages, you will need to Create a New Certificate.**
