

New UIA Web Portal Equipment Provider Overview

EP UIIA Login Screen

The screenshot shows the login interface for the UIIA application. At the top left is the IANA logo (Information Services) and at the top right is the UIIA logo (Uniform Intermodal Interchange and Facilities Access Agreement). The main login area is titled "Equipment Provider" and contains three input fields: "Equipment Provider" (a dropdown menu), "Account Number/SCAC Code *" (with a user icon), and "Password *" (with a key icon). Below the password field is a "Forgot Password?" link. At the bottom is a "Login" button with a right-pointing arrow.

New EP Login page to access the UIIA application –

- 1) Select from the drop down the type of user that is logging in. (Primary, Secondary, Billing, etc.)
- 2) Enter your SCAC Code
- 3) Enter your Password
- 4) Click Login.

New UIIA Login Page for EPs can be found at <https://ep.uiia.org/apps/auth/login>

If you have your current login page saved as a favorite, you will be redirected to the new URL. We suggest that all EPs save the new URL as a new favorite.

New EP Home Page

- The newly designed UIIA application presents a dashboard for the EP when they log in that provides access to pertinent information related to their UIIA account.

The screenshot shows a dashboard for the IANA Railroad Company. At the top, there is a dark grey bar with three items: 'IANA Railroad Company' (1), 'Next Bill Date 03/01/2023' (2), and 'Auto Pay OFF' (3). Below this is a blue bar with 'IARC ACTIVE' and 'EP053653'. Underneath is a section titled 'UIIA EP Details' with two dark grey boxes: 'UIIA EP Effective Date 03/01/1996' (4) and 'Click here to access Current/Previous Addenda' (5). At the bottom, there is a white bar with 'INVOICE# 391480', '\$67,821.45', an 'OPEN' button, and a '\$ Pay Now' button (6).

The left side of the dashboard provides the following info:

1. Company Info
2. Next Bill Date
3. Auto Pay Feature
4. Date EP Became Effective in the UIIA
5. Access to current and previous versions of EP addenda.
6. Access to open invoices (if applicable)

EP/MC Specific Details – Waivers

Waivers – EPs can elect to waive their individual insurance requirements for a specific MC should they wish to do so. To do so, follow instructions below:

1. Click on Waiver/Change Requirements for Motor Carrier.
2. On the specific coverage you wish to waive, select YES under Grant Waiver.
3. Put a -1 in the New Limit column or deductible column if you are waiving a limit in its entirety. If you are accepting a lower limit then enter that limit. For example, if your requirement is \$100,000 cargo and you are willing to accept \$50,000 for a MC you would enter \$50,000 in the limit field.
4. Click on SAVE.

Access Reporting Tools – Web Report Generator

The Web Report Generator is available under the Access Reporting Tools drop down. This feature allows the EP to run customized reports within the UIIA database. EPs can select from 3 standard reports or select “Your Field Picks” that allows the EP to customize the data returned on the report. Once criteria is selected, EP scrolls to the bottom and clicks on “Generate Report Now”.

The screenshot displays the UIIA Web Report Generator interface. At the top left is the UIIA logo (UNIFORM INTERMODAL INTERCHANGE AND FACILITIES ACCESS AGREEMENT). The top right shows a user profile for IANA Railroad Company (EP053653, IANA Staff) and a 'Need Help or Have a Question' link. A navigation bar includes links for Manage Account, Access UIIA Addendum, Motor Carrier Lookup, Access Reporting Tools (selected), Manage Users/Contacts, Billing/Payment, Driver Database(IDD), and Other Options. The main content area is titled 'WEB REPORT GENERATOR' and features a 'Scheduled Report' button. Below this are four radio button options for report types: 'Company Contact Info and UIIA Status', 'Company Contact Info, Primary Insurance Expiration dates & UIIA Status', 'Company Contact Info, All Insurance Expiration Dates & UIIA Status' (selected), and 'Your Field Picks'. The 'Enter Search Criteria' section includes a 'MC Filter' with radio buttons for 'All Member Carriers' (selected), 'Not Approved Member Carriers', and 'Approved Member Carriers'. It also features several date range filters: 'Static Date Range' (MC Record Updated, UIIA Acceptance Date, MC Will Become Not Approved), 'MC Status Changed', 'Policy Expiration Date', 'UIIA Reinstated Date', and 'Deleted From UIIA'. An 'Area' section has input fields for 'Region Served' and 'List Of States'. An 'Additional Search Filter' section is at the bottom. At the bottom of the interface are buttons for 'Generate Report Now', 'Schedule Report', and 'Reset'. The footer contains the copyright notice '© Copyright 2023 Intermodal Association of North America.' and navigation links for 'UIIA Home', 'UIIA Contact', 'Contact Us', and 'Privacy Policy'.

Access Reporting Tools – List of Terminal Feed Locations

EPs that are subscribers to IANA's Terminal Service can find a list of the facilities that the EP has designated to receive UIIA MC interchange status information on behalf of their company. List can be downloaded in an Excel file.

The screenshot displays a web application interface. At the top, a navigation bar includes icons and labels for 'Manage Account', 'Access UIIA Addendum', 'Motor Carrier Lookup', 'Access Reporting Tools' (highlighted), 'Manage Users/Contacts', 'Billing/Payment', 'Driver Database(IDD)', and 'Other Options'. Below the navigation bar, a light blue panel contains a blue button with a right-pointing chevron and the text 'TERMINAL FEED LOCATIONS'. To the right of this panel is a blue button with a download icon and the text 'Download Excel'. In the center of the panel, a white rounded rectangle contains the text 'BNSF'. At the bottom center of the panel is a red button with a close icon and the text 'Close'.

Access Reporting Tools – List of Deleted Motor Carriers

EPs may pull a list of Motor Carriers that are deleted in the UIIA by date range. List can be downloaded in an Excel file format.

Note: Companies shown as deleted during a specified timeframe may have rejoined the UIIA so EPs will need to consider this when pulling list of deleted MCs.

Access Reporting Tools – Daily MC Operating Status Report

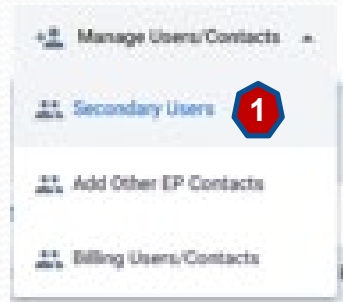

IANA runs a daily job to validate UIIA MCs DOT and MC Numbers against the Federal Motor Carrier Safety Administration (FMCSA) website. The system will provide a warning to the MC 24 hours in advance of cancelling their account if DOT or MC Number is not active. Once reinstatement occurs the system will automatically reinstate the account. EPs have the ability to download the daily reports should they wish to do so.

Access Driver Database (IDD) Info

Access Driver Database Screen

1. If the EP is a subscriber to IANA's Intermodal Driver Database (IDD), they will have a link to the Driver Database shown on the toolbar.
2. To lookup drivers, click on the blue **DRIVER SEARCH** button.
3. Search box will appear, where you can search by MC SCAC, License No., Driver's Last Name, Status of driver (Active, Terminated or Active)

The screenshot displays the 'Access Driver Database (IDD)' interface. At the top, a navigation bar includes options like 'Manage Account', 'Access UIIA Addendum', 'Motor Carrier Lookup', 'Access Reporting Tools', 'Manage Users/Contacts', 'Billing/Payment', and 'Driver Database (IDD)'. A blue button labeled 'LOOK UP DRIVER DETAILS' is visible. Below this, there are filters for 'Status: Active' and 'Sort By: Driver Last Name'. A 'Driver Search' button is highlighted with a red circle labeled '2'. A search modal window is open, showing fields for 'MC SCAC Code', 'Known As Code', 'Lic No.', 'Driver Last Name', 'Status' (set to 'Active'), and 'Sort By' (set to 'Driver Last Name'). A red circle labeled '3' is placed over the 'Search' button in the modal. A message below the modal states 'One of the fields is required.' The main table area shows columns for Driver No., BNSF Pin Number, Driver Status, Hiring Date, Termination Date, MC Scac Code, First Name, Last Name, Lic No., Lic State, Lic Exp Date, and Action. A 'Download Report' button is also present.

Other Options – Access Street Interchange App

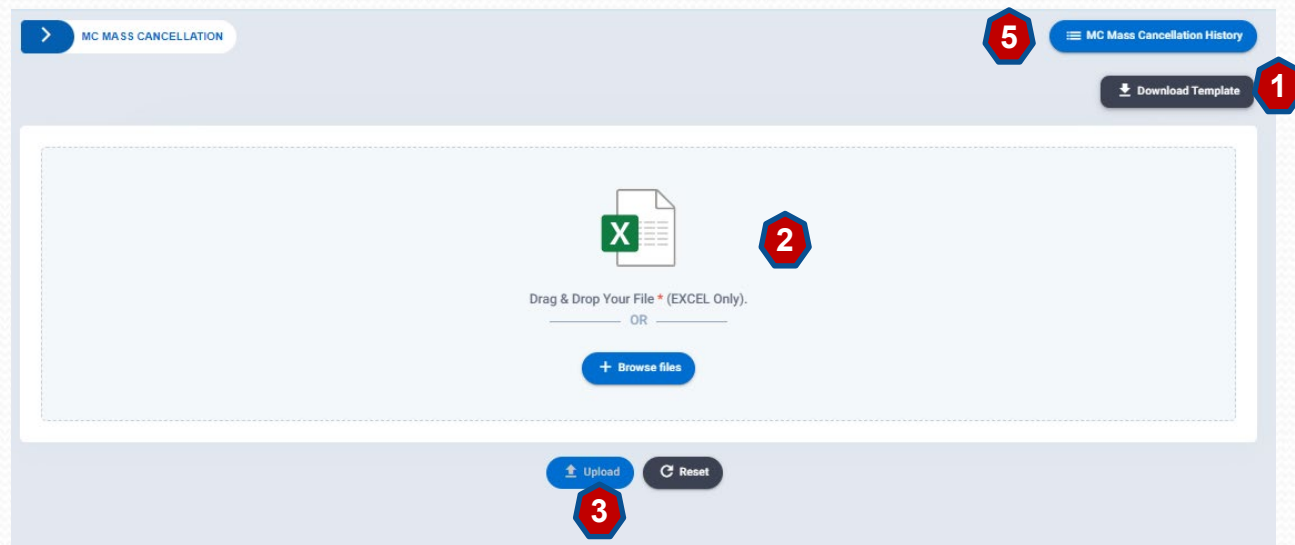

Access Street Interchange Application from the MC Home page tool bar – Takes user to the SIA application.

UIIA EPs utilizing the SIA Application will have link that will take them to the existing application. The SIA is in the process of being redesigned and is also being enhanced to incorporate street turns/interchanges for chassis. New design and enhancements are tentatively planned to be completed by end of 2nd quarter 2023.

Other Options – New MC Mass Suspension

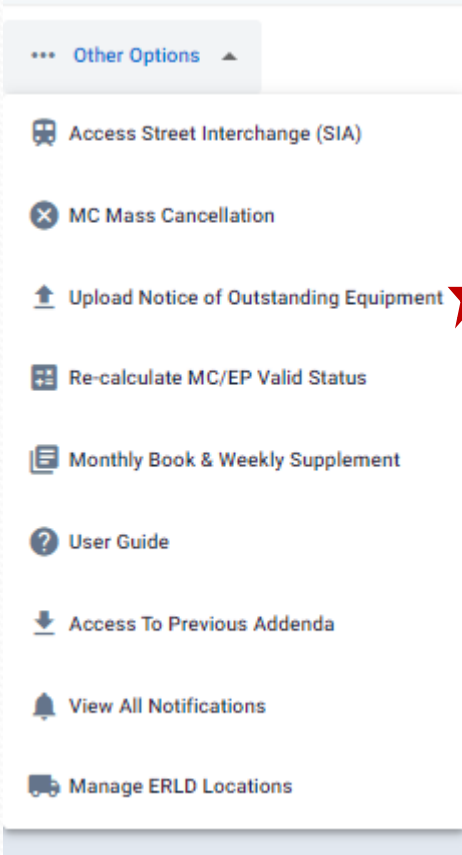

EPs will be able to upload a standard Excel template should they have multiple MC suspensions to handle within the UIIA database. There will be a limit of 200 companies within a file that can be handled per day.

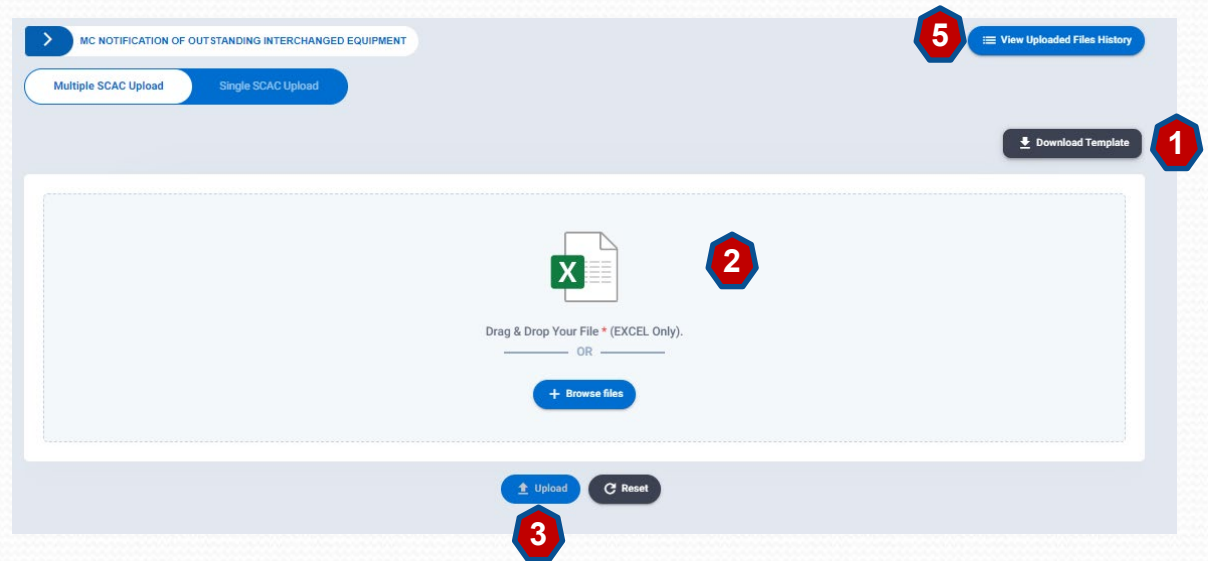

1. Download Template – Will require Company Name, SCAC, Reason for Cancellation, Email for MC to direct questions, Telephone for MC to call with questions
2. EP can drag/drop file from their computer.
3. Click on Upload.
4. System will be updated with the appropriate suspension information and then notification will be sent to MC.
5. Click on MC Mass Cancellation History to see prior files uploaded and date processed.

Note: System will populate the effective date of the suspension as three full business days from the date information was uploaded in system.

Other Options – Notice of Outstanding Interchanged Equipment

EPs will be able to upload a standard Excel template of interchanged equipment showing outstanding under a MC's SCAC Code. The system will then generate a notice to the MC with an Excel attachment reflecting the equipment that is shown on the EP's books as being out under the MC's SCAC Code

1. **Download Template** – There are 2 standard templates. **Multiple SCAC Upload** – which allows the EP to include multiple SCAC Codes within the same template. **Single SCAC Upload** – Use this template only when all information is for the one MC SCAC.
2. EP can drag/drop file from their computer.
3. Click on **Upload**.
4. System will send out the appropriate notification to MC.
5. Click on **View Uploaded Files/History** to see prior files uploaded, status and date processed.

Other Options – Re-Calculate MC/EP Valid Status

EPs can see what changes to their insurance requirements will do to the number of UIIA MCs that are currently approved for them by utilizing the Re-Calculate MC/EP Valid Status feature.

1. Enter the specific limits you wish to change in the appropriate fields.
2. Click on Calculate.
3. System will generate the number of approved MCs you will have with the new requirement in place.
4. You will be able to compare this with the current approved MC account.

Note: Final requests for changes to requirements will need to be sent by the EP to IANA to go through the EP Addenda Review Process.
