VP, Information Services
RE: Proposed Modification to UII Agreement

In accordance with Appendix I, Section V, of the UIIA, all participants are hereby notified of a proposed modification approved by the Intermodal Interchange Executive Committee (IIEC) during its meeting held on October 12, 2023. The proposed revision is to the Administrative Procedures of the UIIA, Section II. Review Procedures for New or Revised EP Addenda, Item II.C. and clarifies that for the purposes of voting on EP addenda reviews, that each mode shall have an equal number of votes. The proposed modification to Section II. Review Procedures for New or Revised EP Addenda, Item II.C. is shown below for your reference:

Administrative Procedures, Section II. Review Procedures for New or Revised EP Addenda, Item II.C. [Revisions shown in "red"]

*"At the close of the conference call, and after the Provider is excused, the designated IANA staff member participating in the conference call shall take a vote of the reviewing modal Committee members as to whether the Addendum language is inconsistent with or conflicts with the existing provisions of the Agreement. **The number of Committee members voting on behalf of each mode shall be equal and no greater than the number of participants attending the call from any single mode.** The proposed Addendum language is approved only if a majority of the modal Committee members vote that the condition above does not exist. Otherwise, a review of the Addendum language and a vote on the same shall be placed on the agenda for the next Committee meeting. At the Committee meeting, the proposed Addendum is approved only if a majority of the Committee members vote that the condition above does not exist."*

Comments are welcome and may be submitted over the next 30 days and should be in writing, via e-mail to debbie.sasko@intermodal.org or by USPS to the address shown below. **All comment submissions on the proposed revisions must be received by Friday, November 17, 2023, in order to be considered.** The effective date of these revisions will not be before December 4, 2023.
